16. From at least October 2013, up to and including in or about February 2015, in the Eastern District of Missouri and elsewhere, **OLUSOLA LUKE**, the defendant, did knowingly and willfully conspire with others known and unknown to the grand jury to violate the following sections of the United States Code:

- a. Section 641, Title 18, United States Code, that is, to embezzle, steal, purloin and knowingly convert to their own use or the use of another, in excess of \$1000 in money or thing of value of the United States of America;

- c. Section 1029(a)(3), Title 18, United States Code, that is, knowingly and with intent to defraud possessed fifteen or more unauthorized access devices.

17. It was the object of the conspiracy for the defendant, **OLUSOLA LUKE**, and others, to unlawfully enrich themselves by stealing fraudulent tax refunds issued by the IRS that were a result of false federal tax returns filed using stolen identities of unsuspecting taxpayers.

MANNER AND MEANS

18. The object of the conspiracy was to be accomplished by the following manner and means:

19. It was a part of the conspiracy that the defendant, **OLUSOLA LUKE**, and others, would and did unlawfully obtain, transfer, and possess unauthorized PII, including but not limited to, the names, social security numbers, dates of birth, and addresses, of unsuspecting taxpayers, as a means of identification to commit violations of federal and state law. The unauthorized PII was possessed and transferred by the defendant using the email account **MUCHEFYZY@GMAIL.COM**.

20. It was a part of the conspiracy that the defendant, **OLUSOLA LUKE**, and others, would use the unauthorized PII to create fictitious email address accounts that were similar to the names of the unsuspecting taxpayers. These new email addresses were entirely controlled by the defendant and others. All message content from these new email addresses would be forwarded back to the email address **MUCHEFYZY@GMAIL.COM**.

21. It was a part of the conspiracy that the defendant, **OLUSOLA LUKE**, and others, would and did use at least thirty-five stolen identities to create unauthorized log-in credentials on a U.S. Government website, to wit: **WWW.IRS.GOV**, in order to access taxpayer information and/or historical tax return information that would be used in furtherance of the scheme. Each attempt to access this information resulted in an email being sent by the IRS to the taxpayer's email address on record, which was controlled by the defendant

and others. These confirmation emails from the IRS were forwarded back to the email address MUCHEFYZY@GMAIL.COM.

22. It was a part of the conspiracy that the defendant, **OLUSOLA LUKE**, and CC-1, opened bank accounts at financial institutions located in the Eastern District of Missouri and elsewhere, in order to receive fraudulent tax refunds into these bank accounts. These bank accounts were opened and maintained in the name and identity of CC-1 or business names created by CC-1.
23. It was a part of the conspiracy that the defendant, **OLUSOLA LUKE**, and others, opened and maintained numerous bank accounts at financial institutions across the United States using the stolen identities of unsuspecting taxpayers, in order to receive fraudulent tax refunds into these bank accounts. These bank accounts were entirely controlled by the defendant, **OLUSOLA LUKE**, and others.
24. It was a part of the conspiracy that the defendant, **OLUSOLA LUKE**, and others, would and did create entirely false federal tax returns using the stolen identities of unsuspecting taxpayers. These false tax returns would contain false income, false withholdings, and other false figures which would result in a fraudulent tax refund to be issued by the IRS. These false tax returns would be filed using the email addresses previously created and controlled by the defendant and others. These fraudulent tax refunds would be directed into bank accounts previously created and controlled by the defendant and others.
25. It was a part of the conspiracy that the defendant, **OLUSOLA LUKE**, and others, unlawfully, willfully and knowingly attempted to receive one-hundred fifty-three fraudulent federal tax refunds, which are property of the U.S. Government, totaling \$3,501,929. Each of these fraudulent tax refunds were associated with false tax returns filed with the IRS using at least one-hundred fifty-three stolen identities.
26. It was a part and an object of the conspiracy that the defendant, **OLUSOLA LUKE**, and others, willfully and knowingly would and did intentionally embezzle, steal and purloin money of the United States, to wit: 68 federal tax refunds totaling \$734,063 generated by the filing of false federal tax returns using stolen identities.
27. It was a part of the conspiracy that the defendant, **OLUSOLA LUKE**, and others, received fraudulent tax refunds into the bank accounts in the name of CC-1, business names created by CC-1, or in the names of unsuspecting taxpayers. The proceeds of the fraudulent tax refunds, or a portion thereof, would then be sent to the defendant, **OLUSOLA LUKE**, under the guise of legitimate business income.
28. It was a part of the conspiracy that once the defendant, **OLUSOLA LUKE**, received the proceeds of the fraudulent tax refunds he would use the proceeds for his own personal enrichment and/or transfer the proceeds to banks overseas.
